

Federalist 10: Outlining the Argument Worksheet

As you read through Madison's argument in *Federalist 10*, fill in the blanks to answer each question. As you fill in the blanks, think about the reasons underlying Madison's argument, and jot down any questions that you may have about it.

What is the "dangerous vice" of republican government that needs a remedy?

What are the two general ways of "curing" this problem?

What are the two ways of **removing the causes** of this problem?

What are the ways of **controlling the effects** of this problem?

Why does Madison reject the two ways of **removing the causes**?
