

Directions:

Create an illustrated timeline listing the four major wars that the U.S. fought in the 1800s. Provide the following information:

- Name of the war
- Year(s) fought
- Countries involved
- Winning nation
- Spoils of war (what the winners gained)

information:

Use the example below to guide your work:

First Seminole War -- fought from 1817-1818

- United States v. Seminole tribe and Spanish Florida (Spain)
- Victor: United States
- Spoils: U.S. gained Florida through the Adams-Onis Treaty of 1819; U.S. forced Seminoles to relocate to center of FL peninsula.
